

26th March 2020

Dear Parents and Guardians

I am writing to express my thanks to you all during this time of crisis.

May I take this opportunity to express my utmost gratitude to our NHS workers and frontline service employees who are working tirelessly on our behalf. I would also like to extend my thanks to all parents for your support and understanding when we have had to act swiftly in response to national guidance and to ensure we are supporting our children in the best way possible.

On a personal note, my thanks to everyone who has sent me so many messages of support in such worrying times. You have shown such care and kindness in your words and actions and we are grateful for this. I am sure you will also join me in expressing appreciation to our amazing staff who are selflessly continuing to provide childcare despite the risk to their own health. I feel truly honoured to be surrounded by such supportive parents and staff members.

As always my biggest thanks go to our wonderful children who remain resilient and in high spirits. We miss them and we will be thinking of them. It has been lovely to hear how they are getting on and see some photographs of the activities you are doing at home.

We shall continue to work, to provide learning opportunities for the children so please keep in touch.

Wishing you and your families the very best.

Yours sincerely

Mrs Lucy Crowe
Head Teacher
