Careers Day – Tuesday 8th October 2024

Dear Parents and Carers,

We are excited to announce Kingfisher's Careers Day which will be taking place on Tuesday 8th October 2024. On this day, all children can come to school dressed as **'When I grow up, I want to be'** this will allow children to show what career they would like to do when they are older.

Careers education in school plays a vital role in broadening children's horizons and helping them understand the wide variety of opportunities available to them in the future. By introducing them early to different careers, children can start developing key skills, such as problem-solving, teamwork, and creativity, that are essential in all professions. It also helps to build their confidence, raise their aspirations, and make connections between their learning and the world of work. Early exposure to careers education can inspire children, helping them to envision their potential and motivating them to pursue their interests and passions.

As part of our careers offer at Kingfisher, each class will be arranging a visitor each term to talk about their profession and inspire the children. If you think this is something you could offer, please email the school office or speak with Miss Kitto who is leading our careers offer.

Thank you in advance for your support of this day. Do not hesitate to speak to your child's class teacher if you require any further information.

With best wishes,

Mr Dan Glentworth
Head teacher
