Outdoor Learning in Academic Year Beginning September 2023

Dear Parents and Carers,

I am pleased to be able to tell you that I will be working with 4 different classes this half term. These year groups will be Reception and Years 3, 5 and 6.

I will work with each class for an hour each week.

Year **6** and **3** will be on a **Monday afternoon**.

Reception and Year **5** will be on a **Tuesday afternoon**.

The children will need to bring wellies and waterproof clothing on their allocated day as we will be going outside in all sorts of weather. If it is hot, please ensure they have suncream on and a sunhat.

If you have any spare waterproof clothing or wellies you no longer need and would like to donate to school we would be very grateful.

Please can you ensure your children bring their clothing in each week when it is their day.

Many thanks and I look forward to working with all of your children!
