Message from Louise:

Dear Parents and Guardians,

This last term has flown by and it has been very different to how it usually is. I would like to take this opportunity to thank you all for your patience and support through isolation and also for helping to keep everyone safe by continuing to follow government guidelines and wearing face coverings at drop off and collection times.

We have had a busy term preparing our Christmas crafts and the children have all been amazing. We would like to welcome Issy back from her maternity leave and also welcome Leah to the nursery team. Both Leah and Issy will be supporting children within the nursery and will be key workers for some children. You will be informed shortly if your child's key person is changing. If you are unsure of your child's key person please do come and ask.

Please don't forget that you can add photos of your child to tapestry; we love to see photos of what you have been doing at home and during the holidays.

Have a wonderful Christmas, stay safe and we will see you in the new year.

Yours sincerely,

Louise Reid—Nursery Manager

Nursery News:

When we come back to nursery in January our Topic will be 'People who help us'.

We have decided to relook at this as it was cut short due to isolating.

We will also do some work on the weather and winter.

PTA Fundraising

A huge THANK YOU to everyone who donated prizes and red items for the PTA Christmas raffle.

If you are a Facebook user—please don't forget to check out the Kingfisher PTA facebook page.

A massive THANK YOU to the PTA at the school who have brought waterproof trousers for us. This will ensure that everyone stays dry whilst we are out on our Welly Walks.

Spring Term Activities

Monday - Music

Tuesday - Welly Walk

Wednesday - PE

Thursday - Cooking

Friday - Mindfulness and movement

Lunch boxes

We have an increasing amount of children bringing lunchboxes into nursery at the moment—whilst this is fine, please could I remind you that Kingfisher is a healthy eating school. Therefore could I please ask that you ensure the contents of the lunchbox is healthy.

Can I also remind you that we do have children and staff within the setting with allergies to nuts and therefore we ask that you do not send any nut based food within the lunchbox

Thank you
