LITTLE KINGFISHERS' NEWS

Summer 1 Edition

Message from Louise:

Dear Parents and Guardians,

We have had a very busy time at Little Kingfishers' over the last half term. The children have particularly enjoyed being able to spend time outside in the sunshine.

We are looking forward to an exciting term ahead as we move very quickly into our last term with our Pre-school leavers. We have lots planned to make this a happy and smooth transition into their new schools.

Please don't forget that you can add photos of your child's home learning to tapestry; we love to see photos of what you have been doing at home.

As always, if you have any concerns about your child's development please contact either myself or your child's key person.

Yours sincerely,

Louise

Nursery News:

Our Topic for the next half term is "Summer Fun" This will include Under the sea and the beach as well as staying safe in the sun.

If you have any inflatable beach toys or boats that we could use in our roleplay area we would be very grateful.

Our story for the half term will be 'Rainbow Fish' and we will be busy learning lots of under the sea songs.

Safeguarding

Please could we ask that the gate onto the road is closed when you have come through it. It is also very important that children are holding hands with parents when entering / leaving the school. Parents, please don't forget that we need children picked up on time at the end of their session times as this affects staffing and ratios.

We love our Mindfulness and movement sessions

Please don't forget to apply sun cream before the start of the nursery session so that children are ready to go outside when they arrive.

Can we also please ask that children have named sun cream of factor 50 or above and a sunhat left at nursery.

Change of hours for September

If any children would like to change their hours for September please could you contact us and we will arrange for you to be given a change of hours form.

Thank you
