Message from Zoe Warren:

Dear Parents and Carers,

As we come to the end of a joyful and sunshine-filled summer term, I wanted to take a moment to reflect on the wonderful experiences and learning journeys the children have enjoyed over the past few weeks.

This term has been full of exploration, creativity, and discovery. From investigating minibeasts in the garden to imagining seaside adventures and learning about how things grow and change, the children have embraced each theme with curiosity and enthusiasm. It has been a delight to see them so engaged - asking thoughtful questions, sharing ideas, and expressing themselves through play, art, and storytelling.

The warmer weather has given us plenty of opportunities to enjoy outdoor learning, and the children have thrived in these environments - developing their physical skills, building friendships, and deepening their understanding of the world around them.

We are incredibly proud of all the progress the children have made this term, both socially and academically. Their confidence, independence, and creativity continue to blossom, and it has been a privilege to support them on their journey.

As we head into the summer holidays, we would like to wish all our children and families a happy, safe, and relaxing break. For those children moving on to new adventures in September, we send our warmest wishes and know they will continue to shine. For those returning, we look forward to welcoming you back for another exciting term of learning and fun.

Thank you, as always, for your continued support.

Warm regards,

Zoe Warren

Under the Sea

The children have loved exploring our "Under the Sea" theme this term! They enjoyed learning about sea creatures, creating colourful ocean art, and imagining underwater adventures. It encouraged the children to explore, be creative, and enjoy hands-on learning experiences.

Army Truck Visit

The children were very excited when an army truck came to visit! They loved having the chance to climb inside, explore the vehicle, and learn all about it. It was a fantastic hands-on experience that sparked lots of curiosity and conversation.

VE Day Celebrations

We had a wonderful time celebrating VE Day with the Reception children! Together we made delicious picnic food to share and enjoyed a lovely afternoon outdoors. The children loved joining in traditional games, waving flags, and learning about why we celebrate this special day.

Butterflies

This term, the children have loved watching our caterpillars grow and change. They were fascinated as the caterpillars built their cocoons and waited patiently to see the butterflies emerge. When the time came to release them, the children were so excited to see the butterflies fly away into the garden.

Recommended Reads for the Summer

Children are read to several times each day, and discovering our “Book of the Week” has become a real highlight for many of them. Here’s a mix of some of the stories we’ve loved sharing this term, along with a few recommendations you might enjoy reading together over the summer break.
