Monday 12th October 2026

Dear Parents and Carers,

On Friday 23rd October, we will be holding a Spooky Non-School Uniform Day.

Children are invited to come to school wearing something spooky or Halloween-themed. This could be a full outfit, a spooky jumper, Halloween colours or simply a small spooky accessory. Please ensure the outfit is suitable for a day at school.

There is no expectation to buy anything new; children can use items they already have at home.

We are asking families for a 50p or £1 donation, which will be collected by our School Council on the day.

This year, we have chosen two charities that are particularly important to our school community:

Children with Diabetes
We want to help raise awareness and support children and families living with diabetes. Our fundraising will contribute towards helping children affected by diabetes and supporting greater understanding of the challenges they can face.

Cancer Research UK
We are also proud to support Cancer Research UK, helping to fund vital research into the prevention, diagnosis and treatment of cancer. Cancer affects many families and we hope our fundraising can contribute towards the important work being done to help more people survive cancer.

Our School Council have chosen these charities because they want our school community to work together to make a positive difference to the lives of children and their families.

Every donation, no matter how small, will help us to support these important causes.

Thank you for your continued support and we look forward to seeing everyone in their spooky outfits on Friday 23rd October.

Kind regards,
Mrs Jackson
School Council lead and Assistant Head
