European Day of Languages - Thursday 24th September

Dear Parents and Carers,

On **Thursday 24th September**, Kingfisher Primary School will be celebrating **European Day of Languages**. This is a wonderful opportunity for children to learn about and celebrate the different languages and cultures represented within our school community.

The countries chosen by each class reflect the **European languages spoken by some of our EAL (English as an Additional Language) pupils**. Throughout the day, children will take part in a range of activities linked to these countries, including exploring traditions, landmarks, food, music, and language.

To help make the day even more special, we would like to invite children to come to school dressed in the **colours of one of the flags** linked to their class. This could be as simple as wearing a combination of coloured clothing.

Class Countries and Flag Colours

LKDN	Portugal	Green, Red
Minnow	Poland	White, Red
Dragonfly	Lithuania, Romania	Yellow, Green, Red (Lithuania) Blue, Yellow, Red (Romania)

We would also love to hear from any parents or family members who speak one of these European languages and would be willing to support our celebrations by visiting a class during the day.

You may wish to:

- Share some words and phrases in your native language.
- Read a story or teach a simple song.
- Talk about traditions and celebrations from your home country.
- Share photographs, artefacts, or objects of cultural significance.
- Discuss your experiences of growing up, living, or working in another country.

Even a short visit would help enrich the children's learning and provide a valuable opportunity to celebrate the diversity of our school community.

If you would be interested in supporting us on the day, please contact the school office or speak to your child's class teacher.

Thank you for your support. We look forward to celebrating the many languages and cultures that make our school such a vibrant and welcoming community.

Yours sincerely
