Wednesday 8<sup>th</sup> October 2025

Dear Parents and Carers,

### Careers Morning – Friday 17<sup>th</sup> October 2025

We are delighted to let you know that our next Careers Morning will take place on Friday 17<sup>th</sup> October for children in Year 1 – Year 6. Throughout the morning, each class will be visited by a range of up to six different visitors, each sharing their career journeys and experiences with the theme of 'dream big'. Children in Minnow class will be learning about jobs in their family within class.

This will be a wonderful opportunity for the children to learn more about the world of work and to build upon the careers themes we explored last year. The sessions are designed to inspire the children, broaden their understanding of different jobs, and help them think about the skills and qualities that are important in a wide range of professions.

As always, if you are interested in taking part in any future careers events, please do get in touch with the school office. We will be holding more careers events throughout this year and we are always keen to involve parents and carers who would like to share their expertise and experiences.

Thank you for your continued support. We are very much looking forward to another inspiring and engaging morning for the children.

With best wishes,

Mr Dan Glentworth  
Head teacher
