Friday 7<sup>th</sup> November 2025

Dear Parents and Carers,

We are exploring the possibility of extending our after-school childcare provision by introducing an additional session running from **5:00pm to 6:00pm** on weekdays.

We understand that many families have different work schedules and commitments, and we would like to find out if this later session would be useful to you. The extra hour would offer children a safe, engaging environment with a variety of activities such as crafts, games, and quiet time for reading or homework.

Before making any arrangements, we'd appreciate your feedback.

Please let us know:

- Whether you would be interested in using this later session, and
- How often you might need it (e.g. regularly, occasionally, specific days).

Your responses will help us decide whether there is sufficient interest to move forward with this idea.

You can share your thoughts by completing the short survey on the link below. Please complete this survey by midnight on Friday 14<sup>th</sup> November 2025.

Thank you for your time and support; your feedback is invaluable in helping us plan services that best meet our families' needs.

With best wishes,

Mr Dan Glentworth  
Head teacher
