Dear Parents and Carers

Parents' Evenings - Monday 12th and Wednesday 14th October 2026

We are very excited to welcome parents into school for parents' evenings in October for pupils in Reception to Year 6. Parents' evenings will take place on Monday 12th October and Wednesday 14th October.

We place great importance on parents' evenings, and therefore, we would ask you to please book an appointment with your child's class teacher to discuss how they are doing in class; parents' evening appointments are 10 minutes long.

For this event, we will continue with our new Parents Evening booking system in place run by our website provider Juniper. You should either already have an account set up or if you are new to the school, you will have received an email giving details of your username and you can now set up a password. **You will be unable to book a Parents Evening appointment without creating a password for your account.**

The booking window will open from Friday 2nd October and they will close on Wednesday 7th October 2026. **You will be unable to book appointments before or after these dates.**

Please see overleaf for full instructions on how to book your parents evening appointment. **Once you have selected your timeslot, you must click the save button.** The appointments will run from 15.30 - 18.10 on both days. Please ensure you arrive promptly to prevent delays and to prevent the disruption to further appointments.

All after school clubs will run as usual on these days.

If you have any further questions, please contact the school office.

Yours sincerely

Jack Green, Headteacher

Parent Evening Booking Instructions

As a parent, you can access the booking system by following these instructions:

1. Open a web browser.
2. Enter <https://www.kingfisherschool.org/parents-evening-info>
3. When prompted, enter your email address (the one registered with us) and enter your password (if you have already set up your account) or select 'forgot your password' – this requests a password reset email. Follow the link from this email.

Booking Appointments

Follow these steps to book an appointment:

1. Select the child you want to book an appointment for in the right-hand corner of the screen (select the circle containing their initials).
2. Select the day for the appointment.
3. Select a time slot for each teacher you want to book with, then select '**reserve**'. Your selection will show in green with the word '**reserved**'. The slot will only be reserved for 10 minutes.
4. Select '**save**' (bottom right corner) to confirm the reservation. If you do not press save your booking will not be secured.

This system is still relatively new to us; therefore, we do anticipate a few teething issues, please bear with us!

Thank you.
