Dear Parents and Carers

Cerebral Palsy Day – Tuesday 6th October

I am writing to inform you about an important awareness day that we will be recognising in school. Each year, World Cerebral Palsy Day is observed on 6th October, both in the UK and across the globe. This day is dedicated to raising awareness of cerebral palsy (CP), uniting the CP community, and advocating for a future where those living with cerebral palsy enjoy the same rights and opportunities as everyone else.

The primary colour for cerebral palsy awareness is green, which symbolises hope, growth and youthfulness. On this day, supporters are encouraged to wear green and to take part in activities that promote understanding and inclusion.

At Kingfisher Primary School, we are committed to supporting awareness of disabilities and to help our children develop empathy, respect, and inclusivity. To mark the occasion, we invite pupils and staff to wear something green on Tuesday 6th October. This could be a small item such as socks, a hairband, or a t-shirt, **alongside normal school uniform**.

In addition, during the day each class will spend some time learning about the importance of inclusion, kindness, and valuing the differences that make each of us unique.

Through these activities, we hope to show our support for the cerebral palsy community and to strengthen our school's values of respect and understanding.

Thank you, as always, for your continued support.

Yours sincerely

Mr Jack Green
Headteacher
